

In The Name Of God

Koosha Plast Nikan was founded in 1995 by Ali Heidari. An entrepreneur by nature, he saw an opportunity to sell disposable plastic tableware and confectionery catering accessories.

Koosha Plast Nikan has always been at the forefront of design and innovation. It has been the first to produce and develop high quality polystyrene dishes and platters, drinking glasses and goblets, and also colorful tableware.

KPN builds customer confidence, loyalty and value through the effective supply of an integrated range of exciting, high quality products and services. KPN produces new designs and innovative concepts which enhance consumer's dining experience.

Whatever your event, KPN sales assistants can provide you with the most suitable cutlery, plastic glasses and tableware. KPN offers a great range of both disposable and durable products, available in a wide choice of colors and styles depending on your needs and tastes.

KPN provides different sets of disposable tableware suitable for parties, weddings, special occasions or religious ceremonies. These sets include classic drinking glasses, colorful shot glasses, plates, bowls and cutlery as well as a range of platters and serving dishes. Products can be ordered in packs or in consumers' required numbers.

Karen Series

High quality and sturdy lids make reusable KAREN series quite suitable to pack different kinds of food such as salads, snacks, etc. KAREN series come in a variety of different colors including transparent, white, black, colorful and blacklight.
